Please join us for drinks and canapes after work at the West Hants Club, Bournemouth on Thursday 24 November.

This will be a chance to mingle and network with the Bournemouth & District Law Society and Junior Lawyers Division Committee members, together with other young lawyers in the area, whilst enjoying drinks and a selection of canapes. It will also be an opportunity to hear about the BDLS and JLD's activities for the coming year and to find out more information about what we do for our members locally.

This event is open to all trainee solicitors, trainee Cilex and any solicitors that have qualified within the last two years. If you are aware of anyone who has not received an invitation and falls within these categories, then please do let me know.

If you would like to attend, please RSVP Dawn Chisholm, BDLS Events Organiser dawn@bournemouthlaw.com the 17 November 2022.
